Sunday 23rd July 2017

I sometimes worry about the dominance of music in the activities of Salvation Army Church Centres (Corps) and wonder are we what God called William Booth to create? But it's also easy to forget the blessing & challenge brought by Salvation Army musicians. A couple of Sunday mornings ago, the Songsters and Singing Company sang songs that completely enhanced the Word of God we always receive from Colin & Nicola and spoke very directly to me - it was as if both songs were linked. Thank you Liz & Phil.

Songsters: "1. Have you ever stopped to think how God loves you? It sounds quite incredible, and yet it's true. Nothing on this earth or in the heavens above is as sure and certain as God's love. 2. Ev'rything is changing in the world today, there's one thing reliable in ev'ry way. Other things may alter but it's clear and plain that the love of God is just the same.

O it's as high as the sky and its as deep as the sea, and it's as wide as the world, God's love for you and me. We can't escape his love or take ourselves out of his care. So where could we hide from his love? His love is ev'rywhere.

Singing Company: "1. I don't know how you made the world or how you keep it turning, or never really understood the laws of time and space. I don't know why the sky is blue or how the sun keeps burning, or why you love the human race. 2. I don't know how you stay the same when all around is changing, or why you always care for me no matter what I do. I don't know how you hear my prayer when half the world is praying but you have promised me it's true.

All I know is that you died for me so that I could be forgiven. And all I know is that you lived on earth so that I could live in heaven".

YOUNG PEOPLE'S ACTIVITIES BULLETIN:

During the summer months, there will be no activities for toddlers, young people or youth. Activities such as Toddlers, Baby Song, Rainbows, Friday Club, Primary, Lighthouse Club, Youth, Young People's Band & Singing Company are all having a break. The children will be on holidays and the leaders will be recharging their batteries all ready to start again the first full week of September. We will miss seeing them around the building. We pray for them and thank God for the blessings they give us. Equally, we thank God for all our 'Young People's Leaders' and the trust & responsibility God places in each of us for caring & nurturing His children – *God's Children*.
