The Weekly Bulletin for Sunday 20th May 2018

Thank you to Linda James for all she has done over the last 11 days to ensure we were part of the global wave of prayer especially the 'Goody Bags' of activities & 'Prayer Stations' at The Hall. On Wednesday evening, we reflected in the activities Linda created. The extra devotions in all our musical practices & last evenings Musical Celebration were very special.

The over-riding theme has been to constantly pray for 5 family & friends. This concept is nothing new. In the early days of his ministry, Billy Graham wanted to mobilise local Christians to bring their unsaved friends & relatives to his evangelistic meetings. 'Operation Andrew' was a simple plan. Church members prayed for their unsaved friends, & invited them to Billy Graham's crusades to hear the gospel. Why the name 'Operation Andrew'? Because each time we see Andrew in John's gospel, he's bringing someone to Christ. Remember it was Albert McMakin who drove Billy Graham to his conversion!

Page Park Praise last week: the weather was perfect & the people came - over 300 of them! The Children's Gazebo was packed all afternoon. Whilst our music drew people's attention & the children's face painting was free, people heard about & saw God's love. Maybe your 5 family & friends were there?

As Kay watched the Royal Wedding yesterday, I thoroughly enjoyed hearing the very classy music, expertly played & sung including Kim & Vernon Samuels who we all know from the Renewal Gospel Choir. Whilst the world focused on Windsor & the wedding, millions heard Bishop Michael Curry preaching powerfully of God's love. Maybe your 5 family & friends heard him?

At Band Practice on Tuesday, Hilton reminded us that vital to making 'Thy Kingdom Come' is prayer. It is perhaps often the missing ingredient.

FELLOWSHIP BULLETIN: staplehillprayers@gmail.com

Thank you to Viv for sharing the flowers today in memory of Allan.

Ruth Sheppard is recovering after her cataract operation.

Congratulations to Martin & Amy on the birth of Zachary Lewis Scott. Grandparents Tim & Hazel are doing ok too!

Linda Hall has decided to stand down from her duties as Corps Secretary & leading the Administration Group. Personal circumstances & her demanding job has made it difficult for her to fulfil the role to the high standards she sets herself. We are very grateful for her commitment over the last 4 years and offer her our sincere thanks for a job well done. I know God will continue to use her talents in a different capacity at Staple Hill, at home & at work.

Don't forget, Ruth, Elise & Peter Belcher are all running the Edinburgh Marathon on 27th May raising funds for Community Albums.

Here's Victoria Heath at Buckingham Palace having received her Duke of Edinburgh's Gold Award. It was presented to her by Adventurer Pip Stewart with HRH The Countess of Wessex speaking to her group. Congratulations & well done!

VOLUNTEERS are required for C in the Park and the Morrison's Standing Days. If you can help, please add your name to the sheets in the foyer.

DATA PROTECTION BULLETIN: (GDPR)

As many of you will know, there are new data protection laws coming into force this week. This affects things we do here at the Corps. We need to be extra careful with any data we have on people, which includes names, addresses, phone numbers, email addresses, finance records, photos and videos. In brief, we need to ensure the following:

- All data is kept in this building in a locked cupboard or drawer and is not taken home.
- No data is kept on a personal computer or mobile device
- Data isn't kept any longer than is necessary (old forms, need to be shredded)
- All forms must contain a privacy notice on them with specific wording

If you hold a list, register or any personal data for a group you are part of here at the Salvation Army, please could you speak to Nicola as soon as possible.
