## The Weekly Bulletin for Sunday 7<sup>th</sup> April 2019

Psalm 139 tells us that we are "fearfully and wonderfully made" and Genesis reminds us that we are "made in the likeness of God".

I've read that this suggests that God made all the delicate, inner parts of my body. He knit me together within my mother's womb. I was made wonderfully complex. God knew me as He was painstakingly designing me with much loving care. I didn't just evolve into what I am. I was created and designed with a purpose. And the blueprints of me are similar to other human beings but they're not exactly the same. I am unique - and so are you. The human body is a unique design of multiple systems that all work intricately together. The cardiovascular system gives you the energy to move. The muscular system gives you the ability to move, lift, and hold things. The digestive system processes food into energy and discards waste. The immune system keeps you healthy. The nose lets you smell. The tongue and mouth let you eat and taste. The ears enable you to hear. And your skin enables you to feel textures. We are also blessed with a brain so we can think, process, and create. Our emotions help us to relate to each other and feel compassion. All of these systems were uniquely designed to make you who you are.

However, we all have weaknesses that sometimes make us feel of no use. But God's grace is sufficient to cover our weaknesses. More than that, God's power is made perfect in our weaknesses. Weaknesses keep me humble & leaning on God's strength which is much more sufficient than my own.

God created you on purpose with love. He didn't just design you to do your own thing. 1 Corinthians 12 reminds us we are a body made of many parts, that every part is important & that the whole cannot work without every part.

### SELF-DENIAL BULLETIN:

This year's Self Denial Appeal raised £5,805.91 A big thank you to you all. It's not too late if you missed the collection or still wish to give. Thank you. Gary

### MEDIA SYSTEM TRAINING BULLETIN:

Tuesday 9th April 6.45-7.45pm. This is a training session on the basic function for those who have a need to use the new system. This can also include anyone who wishes to be on hand to support when needed. The session will also include training on Songpro which is the presentation software we use each Sunday. If you're interested, please speak to Neil Baker to confirm your attendance but also if you can't make it so that arrangements can be made for a second session if needed.

### FELLOWSHIP BULLETIN:

Morag Fletcher & the Hall family, Ruby James, Malcolm & Gerry Wiltshire, Anne Lear, Malcolm White, Arnold & Pat Tilling, Brenda & Paul Cook. Hilary Dickens who has been bereaved of her brother-in-law Ernest Russell
