The Weekly Bulletin for Sunday 21st April 2019

Thank You
Jesus for
Loving Me

Happy
Easter
For God so loved the
world, that He gave
His only begotten Son,
that whoever believes
in Him should not
perish, but have *eternal life.*
John 3:16

The Singing Company sang these wonderful words on Good Friday morning reminding us that perhaps we don't say **Thank You** to Jesus often enough...

Before you made the skies and sea, Your heart was full of love for me.
You knew the person I would be, Thank you for loving me.
You came to earth to live like us, With words of life, and Arms of Love.
You showed the way to heav'n above, Thank you for loving me.
Because God loved the world so much, You paid the price for all of us.
You gave your life upon a cross, Thank you for loving us.
So thank you Lord for loving me, Today and all eternity.
And may my song forever be, "Thank you for loving me"
Thank you, Jesus, Thank you my Lord
Your love came down from heaven, Come fill up my heart evermore

So I do wish you a **Happy Easter!** But more importantly, **Thank you Jesus!**

SOMETHING TO MAKE YOU SMILE BULLETIN:

Thank you to Marie Watts for this little gem: A little girl walked to school daily. Although the weather that morning was questionable & clouds were forming, she made her daily trek to school. As the afternoon progressed, the winds whipped up along with thunder & lightening. The little girl's mother was concerned that her daughter would be frightened of the storm. She jumped into the car & drove the route to school. Up ahead she saw her daughter walking through the storm. At each flash of lightening, her daughter stopped, looked up & smiled. Her mother stopped by the side of her daughter and asked why she stopped and looked up. Her daughter replied "I'm trying to look pretty 'cos God keeps taking my picture!"

SOMETHING ELSE TO MAKE YOU SMILE BULLETIN:

Colin has a day off and he's coming home next Sunday! We were due to be visited by the Divisional Commander Ian & Jean Harris, but they have deferred to Colin and a few of his *International College for Officers* colleagues:

"Easter greetings from the ICO. It's a disappointment not to be with you at this important time, but we have been kept busy over the last couple of weeks. On Friday, we joined with Salvationists at Regent Hall for worship & then a march of witness down Regent Street & an open air at Piccadilly Circus. Central London had its issues yesterday but we were able to avoid the demonstrations. Last weekend we travelled into the East End of London and North London to visit some of the historical sights where the Army started its ministry. In terms of lectures this week we've been looking at social ethics, which has been interesting given that most of the delegates are from different cultures with different views & history, so challenging our western views. It's also humbling listening to other delegates stories. We have an officer who was a child refugee for 10 years, another who is an officer in Rwanda, along with officers from all over the globe. This coming week we are visiting IHQ, which will be interesting to see what they get up to! Next weekend we have a free weekend & I am hoping that a couple of friends will come & help lead worship and tell their stories at Staple Hill. I do hope & pray that you have had a blessed Holy Week & look forward to seeing you all soon. Every Blessing". Colin

FELLOWSHIP BULLETIN:

After a few days at home, Morag Fletcher has returned to hospital, Brenda Cook is back home with Paul & Malcolm Wiltshires brother is now in his new residence. Great to see Arnold & Pat Tilling last Sunday. Continue to remember Ruby James (hospital) & Anne Lear as she recovers plus others ...

The flowers are shared with us by Olive, Gary & family in memory of Den

ENVIRONMENT BULLETIN:

Charlie & Harry James are trying to help the environment and their school are recycling plastic bags. The plastic bags they are collecting are the stretchy type – carrot bags, bread bags, bubble wrap, toilet roll bags and apple bags. All bags need to be clean. Any crinkly plastic is NOT any good (grape film lids, salad bags, sweet bags). If you would like to help the environment too, bring your plastic bags to the Hall & put them in the box near the coffee bar (bottom of the stairs in the foyer) & Linda James will pass them onto the boys to take to their school. Thank you. For more information, speak to Linda James or Rachel Roberts. Even better, speak to Charlie & Harry. Well done lads!
