The Weekly Bulletin for Sunday 28th July 2019

No matter how old or young you are, what would you say has been the most amazing thing you have witnessed in your life time? It could be rebuilding after WW2, the establishment of the NHS, the Beatles, England winning the World Cup in 1966, the development of the motor car, colour television, mobile phones, the computer, micro-surgery the possibilities are endless and very personal with no right or wrong answer.

For me, it would have to be the Apollo 11 mission to land man on the moon. I was 10 years old when it happened & we as a family watched it on TV. I have been glued to the TV over the last week or so watching all the documentaries and original TV footage and

have been reminded what an amazing feat it was to launch 3 men on top of the worlds biggest rocket, catapult them towards the moon, land 2 of them on the moon, re-launch & meet together in lunar orbit with only one attempt, then hurtle back towards earth and land in the sea. It was an event embraced & owned by the whole world. For weeks & months, the 3 astronauts toured the world. Words like amazing & incredible are over-used today to describe very ordinary events. However, this was amazing & incredible and has not been surpassed. Even sadder is that it has not been built on or developed.

What God has done for us is truly amazing & incredible. But I do believe God expects us to do more than just accept the event – He has great plans for us!

PAGE PARK PRAISE BULLETIN: Sunday 11th August 3.30pm

Whilst we know it's during holiday time and many of our fellowship will be away including Colin & Nicola, it is too good an outreach opportunity not to take advantage of. We still hope that the Band will play in the Bandstand from 3pm and that we will be able to provide children's activities. But at the very least we will lead a "Songs of Thankful Praise" at 3.30pm. More than any other month, if you are available & able, please join in and help in any way you can:

2.00pm: Load at the Hall	2.30pm: Set up at Page Park
3.00pm: Band in the Bandstand	3.30pm: Page Park Praise
4.15pm: Pack up	4.30pm: Unload and put away at the Hall

CHILDREN'S AND FAMILY BULLETIN:

"Building on rocks and sand" - the wise & foolish man. This Activity Morning will allow us to keep in touch with our families over the summer break, talk a bit more about God with them, encourage them to access other activities we do and it may even attract new families. Parents/carers will stay with their children for the session. If you are able to help either in the preparation or setting up the hall the day before then that would be great. Please pray for all those who may attend.
