*Palm Sunday*

Almost 2000 years ago, a huge crowd gathered around Jerusalem to cheer the arrival of Jesus in to the city. A triumphal entrance, with a party atmosphere. A joyous occasion, heralded by the waving of palm leaves, full of expectation and hope. But before the age of mobile phones, or the internet, or even the printing of newspapers – how did they know that Jesus would be arriving on that particular day? Who did the organising?

Jesus said of the crowds: "if they keep quiet, the stones will cry out". The people were brought out onto the streets by a force that was greater than even the largest media campaign could ever manage – they were compelled to come by God Himself. The vast majority in that crowd probably had no idea what they were even doing there – they just knew they *had* to be there. Something big was happening, and they wanted - or needed - to be a part of it.

What is the reason for our worship today? Are we also compelled to be part of something big that is still happening?

*Paul Heath*

**You were meant to just wave the leaves, not the whole plant!**

## **PRAYER NETWORK:**

Our prayers since the last bulletin was printed:

- For baby Calli who was undergoing cleft lip surgery which was successful. The family would like to thank everyone.
- For Catalina who entered hospital for open heart surgery. Also her mum, dad and family.
- On Tuesday time was taken to pray for all those who have lost their lives over the last year to Covid, also their family members.

Jess Cox would like to thank everyone for their prayers. When she entered hospital to have the cancer removed, it had disappeared - but she is still waiting for results of kidney scan.

When we pray in faith our prayers are answered!

If you would like us to pray for something, then please drop us an email (a couple of sentences only, please) on [staplehillprayers@gmail.com](mailto:staplehillprayers@gmail.com).

## **ACROSS OUR FELLOWSHIP:**

We continue to remember those of our fellowship who have recently been bereaved of loved ones. We are currently preparing for one funeral, that of Ruth Barber, which will take place on Wednesday, 7th April 2021 and our thoughts are with Ted and his family. Please continue to uphold each other in prayer during this difficult time.

Bob and Pauline are celebrating their diamond wedding anniversary on Thursday. Well done!

## **EASTER SPECIAL EVENTS:**

Over this weekend you will be receiving your Easter mailing through your door. It will include a pack of readings one for each day from Palm Sunday to Easter Sunday. If you follow the instructions it will also provide an Easter decoration for your home. These readings will be read by different members of our congregation, published each day on [facebook](#) and sent out to those on our email list. We received lots of good feedback about our advent readings so hopefully you'll find these helpful too.

On Good Friday a message will be available online from 11am, but we are also meeting up on zoom at 7.30pm – an opportunity for a catch up and some fun so don't miss it. DHQ are also providing various online events over the Easter weekend so please see details below.
