*3<sup>rd</sup> Sunday in Advent*

*O Christmas Tree, O Christmas Tree,  
How lovely are thy branches!*

This has to be one of the strangest 'Christmas carols' ever! There are many different versions of lyrics to this song – but the oldest versions have nothing to do with Christmas at all. The version that we most often sing today at Christmas time is based on an old 16<sup>th</sup> century German folk song with a few added Christian themes. It speaks of the hope that can be drawn from the green leaves during the depths of winter that better days will surely come. Better days that did come with the birth of Jesus.

The Christmas tree is an important part of our Christmas traditions, and few people would consider it Christmas without one. We have several beautifully decorated trees around our hall, and they always help to bring the joy of the festive season to everyone who sees them.

And have you seen the tree in Downend this year? If you haven't – it is well worth checking out when it gets dark. It really is quite a spectacular light show!

*Paul Heath*

## COVID RESTRICTIONS:

Due to the emergence of the new Omicron variant, please adhere to the following whilst in our building:

- Please **use the sanitiser** and wash hands carefully on entry to the building and when moving around
- **Masks must be worn at all times**, even when sitting down, except when eating or drinking
- We advise everyone to **take a lateral flow test** before attending a meeting, especially the carol services
- We will temporarily stop serving refreshments after the Sunday meeting as this is a high risk time
- We will continue to **open windows** even when it is cold so come prepared for that
- Please **do not enter** our building **if you are feeling unwell**
- Please **let us know** if you experience Covid symptoms or have a positive test after attending the building

## LOVING LOCAL WEEK:

This week has been incredibly busy and an enormous amount of work has been completed. It has been achieved through team work so a big thank you goes to all the Extra Slice groups who undertook a variety of tasks but also had a good time doing it! We are also really grateful to other people who sorted, lifted, cleaned, tidied, made drinks, made up parcels, and generally moved a lot of things from one place to another! There were a number of people who put in a lot of hours this week – you know who you are – thank you!

## ADVENT WREATH:

My apologies for the error in the bulletin a couple of weeks ago ... the advent wreath has been provided by Lillian. Thank you!

## HELP NEEDED PLEASE:

There are still some spaces on the collectors' rota for the carolling engagements on the noticeboard – please offer to help where you can, thank you.

As last year, we will need drivers to deliver Christmas dinner and other packages to people on Christmas day. Our Christmas Day meeting is going ahead at 11am and deliveries will be made after that. If you are able to help, please see Nicola or David.

## PEOPLE:

- Our thoughts remain with those in our fellowship who are poorly, and in particular we continue to think of Bob, Clive, Rita, Jill, and Les and Charlie.
- Pauline is due to go into hospital next Friday for a knee operation, so we pray that will all go well
- Rita continues to recuperate after her operation but remains in hospital for the time being

**“How far is it to Bethlehem? Not very far”  
Some of the band can’t even find their way to a local carolling  
event, let alone Bethlehem!**
