Rhythms of Ministry

This is an extract from 'The Ministers Thought' that Colin prepared for the April edition of 'Downend Voice':

One of the rhythms of our ministry, like all churches, it to support those families who have lost loved ones. On average we support a family and officiate at a funeral every 6½ weeks and recently we conducted a service of celebration for those families who lost loved ones during the pandemic and were not able, due to restrictions, to say goodbye surrounded by family and friends. In preparation I looked through 25 'Order of Services' and collated all the music, readings and songs that had been used. In doing so, it was interesting to note some of the music that had been chosen, especially the music to exit the chapel. Many families wanted something less mournful and more celebratory of the joy and privilege of knowing a loved one. Here are some on the titles: Bring me Sunshine ... Dance the Night Away ... In the Mood ... Moon River ... New York, New York ... Que Sera Sera ... Somewhere Over the Rainbow ... Stand by Me ... Wind beneath my Wings ... Wonderful World ... You're my World.

Good Friday is a time when we remember the death of Jesus, a time when the disciples thought their world with all their hopes had collapsed. But Easter Sunday brings with it hope in Jesus' resurrection.

Christians today continue to hold on to the hope that the resurrection brings. The hope that one day, we will live with Jesus in heaven, a place where there will be no more suffering, death or hardship – a bright tomorrow. Whether this is your belief or not, perhaps you would hold with words from 'Bring me Sunshine':

*Bring me sunshine
In your smile
Bring me laughter
All the while
In this world where we live
There should be more happiness
So much joy you can give
To each brand new bright tomorrow*

*Bring me fun
Bring me sunshine
Bring me Love*

PEOPLE:

There are a number of families who have recently been bereaved of a loved one. Please pray, support and encourage our friends at this time.

At the time of writing, Morag and Ruth are both in hospital, so please uphold them in prayer. John Sheppard, has been in hospital, but remains very poorly, so please remember both John and Olive. There are a number of our fellowship who continue to live with serious health conditions and our thoughts are with them. In addition, there are a number of people who have COVID at the moment, so please look after yourself.

Following on from 'baby news' last week, we are pleased to announce that Louise and Jim are expecting - congratulations to them.

As mentioned last week, Hilton and Lilian's son, Jonathan will be marrying Naomi on Monday, 11th April at Holmewood Hall in Cambridgeshire. Our thoughts are with the 'Baker' family as they celebrate this very special occasion.
