Sunday 7th June 2015

I had a day off work on Tuesday & popped in to the Hall to show Kay the new storage cabinets we had fitted the night before in the corridor to the Annex with Rob & Colin supervised by Linda. The buildings were alive with people! The Bradbury Hall was buzzing with toddlers and parents/carers waiting with anticipating to hear Colin read them a story. Next door in the Annex, was the Bible Study Group led by Pat & Arnold Tilling. Practical Christian Community Outreach & Spiritual Christianity running side by side at the same time – one undoubtedly complimenting the other.

We have often prided ourselves on our suite of buildings looking “lived in” and “well used”, which they are due to the large number of people who visit our buildings throughout all 7 days the week – Tuesday was a prime example. However, we have been neglectful in not maintaining the buildings to the high standards we should always present to God. How much better do the Annex, Bradbury Hall & hallways look after some TLC? There are changes that have started in the rooms behind the platform with more work to come. Colin & Nicola have done much to encourage us to de-clutter and either throw away or store properly. But we can all play our part by always looking after our buildings & all the resources in it ensuring we always leave the buildings clean & tidy and store everything in their designated place. As these thoughts swirled around my head, I thought how these buildings are a Gift from God which we must look after:

*All good gifts around us are sent from heaven above.
So thank the Lord, O thank the Lord for all his love.*

TODAY Sunday 7th June: Community Care Ministries Sunday.

Tonight at 5pm: Sunday Supper. We will be joined by Beryl Cains, Training Facilitator from Brunel Care who will focus on Dementia Care. I'm sure we will be in for an interesting evening on a very relevant subject as dementia impacts on so many people and their families.

And in between Worship & Supper, you could go to the **Big Picnic**, a community event in Page Park (11.30am-4.00pm).

Sunday 14th June: Young People's Anniversary. It will be great to see & hear from our young people. Following Worship, we are all invited to join our young people at Page Park for the afternoon for some fun & games. We'll know where they are because they are making a banner for us to see them! All you need is yourself, a picnic & something to sit on. It would be great encouragement for them if we could all join them.

Sunday 21st June: Father's Day. Breakfast at the Hall, then we join with all our Christian friends for "**C in the Park**" & then our own Father's Day Worship at 5pm. More details to follow.

Whilst there is a recognised official Food Bank in our area, by virtue of our name and reputation, many people still come to us seeking practical help. As such, over recent years we have established our own stock of food and resources to be able to help such people. The Community Care Ministries Team are taking responsibility for this resource and seek our help to keep it appropriately stocked. A box will be placed in the foyer where you can contribute goods - a list is available so that you know what you could add to your weekly shop. Stocks are low, so your help would be appreciated.

Please continue to keep me informed, as I can only print in the Weekly Bulletin what I know or what you tell me. Thank you.
