Dear Friends,

Over the last couple of months we have been asking the question - 'What is the Mission and Vision of The Salvation Army in Staple Hill?'. Our vision - where we believe God wants us to be. Our mission - how we attain that vision. We have determined our mission has 4 purposes: Worship, Outreach, Pastoral Care and Discipleship. Our vision for the next 12 months to corporately and personally reach up and out and deeper and wider towards the goal which Christ has called us to by getting into SHAPE.

We also believe that everyone within our worshipping community in Staple Hill has a part to play in God's vision (short and long term) for our corps, and within this document you will see that there are many areas of ministry in which you can become involved in, using your God given SHAPE.

We have created different mission areas, some making mission and some enabling mission. Our Mission Statement is based on the word REACH as we reach closer and closer to God's will for us personally and corporately. We have also used this word as an acrostic for our values.

Paul, in Philippians 3 writes:

12 I have not yet reached my goal, and I am not perfect. But Christ has taken hold of me. So I keep on running and struggling to take hold of (reach) the prize ... but we must keep going in the direction that we are now headed.

We thank you for all that you are doing and will do to progress God's kingdom in Staple Hill and pray God's abundant blessings will reign down on His church and people and that we will be a resurgent Army.

Every blessing

Colin & Nicola

Staple Hill Mission Council

Our mission consists of 4 purposes - Worship, Outreach, Pastoral Care & Discipleship.
These purposes come under the umbrella of Mission Making and, as you will see, have been given 'Reach' headings, as we reach closer to our God-given purposes.

Reach Up to Love Jesus ... Reach Out to Share Jesus ... Reach Wider to Love Each Other ... Reach Deeper to Follow Jesus

These four purposes are supported by mission enablers: business, organisation and communication. On the next 2 pages we have identified some of the key responsibilities of each area, so that all can be involved (including Children and Youth) as their gifting and interest allows. Each mission area has a facilitator to oversee and encourage people to be involved.
Want to know more? Speak to one of the Mission Council...but foremost pray.
