

STAPLE DIET

MAY 2015

Staple Hill Corps

- A Good NEWSS Corps for all people

(Nurture, Evangelism, Worship, Service to Corps, Service to Community)

Our Purpose is:

- **To be a vibrant, worshipping Christian community actively introducing Jesus to the people of our area.**
- **To be a place where all can belong and grow in their relationship with Jesus.**
- **To serve the local community.**

From the desk of the Editor

It is hard to know what to write here this month due to having an amazing trip to Canada with Salvation Brass - but more on that later in this edition.

When we flew out to Canada we knew what we had to do - we had to spread God's message to everyone with whom we came into contact. We certainly did that and more.

Good Friday is one day that will stick in my mind. Our morning worship was reflective, as it should be, but then our evening worship was a time of celebration and praise - celebrating what Jesus did for us on the cross. We carried one song through both times of worship, that being 'Nothing but thy blood'.

**Jesus, see me at thy feet,
You alone my need can meet,
Nothing but thy blood, nothing but thy blood can save me.
See my heart, Lord, How I grieve,
It's your pardon that I need,
Nothing but thy blood, nothing but thy blood can save me.**

***There is nothing I can bring,
Only by faith I am clinging to your cross,
O Lamb of God.
Nothing but thy blood, nothing but thy blood can save me.***

As we move on from Easter towards Pentecost let us remember that as the Holy Spirit pours down upon us that we will continue to cling to the cross and be empowered for our mission and continue to gather together as a Church within our community of Staple Hill.

**Neil Baker
Editor - Staple Diet**

From The

Officer's Desk

Warmer weather gives us more opportunities doesn't it? More opportunities to walk in the park, paddle in the sea, camp under the stars, eat ice cream, have picnics, enjoy barbecues - the list could go on! For the Salvation Army Staple Hill, we have more opportunities to connect with our local community.

During the summer period, we have three dates booked to undertake outreach in Page Park. This year, we are really hoping that people will see our witness, listen to our message and make a response. The first one of these dates is Sunday 17th May (the other dates are 19th July and 20th September) and so please start preparing and praying for this now. Following on from the success of Easter Sunday, we will march to the park and then lead 'Page Park Praise' inviting anyone to join with us. Each of the four musical sections will take part, everyone will have an opportunity to join in with the singing and there will be specific activities for children and families. We want to drum up (excuse the pun!) as much interest as possible, so publicity has been organised which includes leaflets that will be available for you to take to invite your friends and family. So please do all you can to support these opportunities - invite people, join in the march, participate in the worship, talk to those people who 'come and see', but most of all pray that people will hear the message and begin a relationship with Jesus Christ as a result.

By the way

We will also have an opportunity again this year to join with the other local churches at the 'C in the Park' event on Sunday 21st June - another opportunity for outreach to the local community and an opportunity to proclaim the message - more details nearer the time.

Nicola Hylton-Jones
Corps Officer

News about People

Those currently on the 'Wish you were here' prayer list are:

Madge Rickards, Irene Ackerman, Francis & Ruth Shepherd, Edna Heath, Gordon Stone, Valerie Scott, Tom and Ruth Cable, Joyce Lear, Gwen Lear, Margaret Hatton.

THOSE AT UNIVERSITY

Natasha Bennett (Bristol Uni), Paige Hassard (U.W.E.), Bethany Martin (Bath Spa), Adam Raine (Bath Uni).

Following a long illness, Pam Henderson was Promoted to Glory on 19th March 2015. We remember her husband, Peter, and all family members at this time of loss. Her funeral took place at South Bristol Crematorium and was conducted by Andrew & Hilary Sims.

Alan and Marion Richardson celebrated their Golden Wedding anniversary on 20th March 2015. Congratulations and we trust your day was special to you.

Garry & Gill Jones celebrated their silver wedding anniversary on 14th April 2015. Congratulations and we hope you had a lovely time of celebrations.

Natasha Bennett & Philip James got engaged whilst on Holiday in the Grand Canyon, America - Congratulations to you both.

Congratulations to Kirsty & Mark Fielding, and of course Oliver, on the news of a new arrival due in November 2015. We wish you all the best for the coming months at this exciting time.

Birthdays are special and this month three people will celebrate a special age:

Freda Milsom will be 80 on 14th May, Andrew Sims will be 70 on 21st May and Bill Milsom will be 80 on 31st May. Enjoy your special day and Happy Birthday.

Well done to William Bessex who has recently passed his Grade 2 in Piano.

Thank you to those people who sent me messages of sympathy with cards, phone calls, thoughts and prayers following the tragic and also sudden death of my Nephew Chris, aged 28, in Perth, Western Australia. My brother and sister-in-law Neville and Pam Kendrick along with their younger son Andrew have been aware and have felt the comfort and prayers from Staple Hill. Please accept their grateful thanks at this difficult time.

Vivien Wallington

Pamela Denise Henderson...

...was born Pamela Johnson in Staple Hill, Bristol on 23rd August 1943. Pam attended the Hannah Moore School.

Pam had a brother and sister: Janet who died some time ago and Ray who was promoted to Glory some six weeks ago.

Pam had four children: Christine and Dave from her first marriage and Kathy and Peter, together with Pete her husband who she married some 38 years ago.

Pam and Pete first met in 1975 when they were living in Middlesbrough. Shortly after marriage they moved to Scotland to be near Pete's dad who was ill. While living in Scotland Pam worked for a time on a Salmon Farm.

Pete and Pam moved into Bristol some 25 years ago and obviously missing salmon farming Pam applied her energies to having not one, but two allotments, beside looking after her own garden, keeping a goat and having parakeets.

Pam clearly loved the open air and travelling around and going camping: firstly in a tent and latterly in a caravan. Especially favoured was camping in Yorkshire and the West Highlands.

Many will remember Christine Pitts, Pam's eldest daughter, and after Christine passed away Pam decided she wished to become a Soldier. We know that this brought her great pleasure and a special sense of inner peace and strength during, for her and others, very dark days. Sadly, because of worsening health problems, Pam was unable to attend our weekly services on a regular basis but she

maintained her interest and was regularly updated by Barbara Peacock and David James.

Pam loved all her family. Nothing pleased her more than to be able to tell all who listened about not only her children's achievements but even more, about all six of her grandchildren.

We can have confidence that, were she here, she would tell us not to be sad that she is no longer here but to be happy that she was able to share in life with us.

A Special Prayer Request

During my time in Canada I met lots of new friends but there was one who taught me 'if a job is worth doing, it's worth doing properly.' Unfortunately on 18th April news came through that Ross Sturge of North York Temple Corps was Promoted to Glory through a suspected heart attack. Ross was the Corps and Band Colour Sergeant, along with also being the Songster Sergeant and just two weeks earlier I marched alongside him as Flag Bearer for Salvation Brass.

Given this sudden loss, a prayer request has come through to pray for his family and the corps at this time. Having been in contact with friends from North York Temple everyone is in shock and I know he will be missed. He took great pride in carrying the flag as part of his ministry and taught me how to do it properly - he will be someone who I won't forget.

Neil Baker

Hymn for Distraught Directors (Songster Leaders)

To the tune of Immortal, Invisible & this would never happen at Staple Hill!

Immoral, Impossible, God only knows,
How tenors and basses, sopranos, altos
At service on Sunday are rarely the same
As those who on Thursday to choir practice came.

Unready, unable to sight read the notes
Nor counting, nor blending, they tighten their throats
The descant so piecing is soaring above,
A Melody only a mother could love.

They have a director, but one wonders why:
No one in the choir ever turns her an eye.
It's clear by her Flailing, she wants them to look
But each singer slouches with nose in the book.

Despite the offenses, the music rings out,
The folks in the pews are enraptured, no doubt.
Their faces are blissful, their thoughts appear deep,
But it is no wonder, for they are asleep.

Author Unknown

Visit of Droitwich Spa Songsters

The visit of Droitwich Spa Songsters to Staple Hill was part of the 'Big Collection' series designed to support the Corps' fund raising for the Annual Appeal. It was, however, much more than that. The evening was a wonderful worship experience with some really fine singing coupled with a clear spiritual content which left the congregation in no doubt that the Brigade was intent in presenting the Gospel as part of its concert.

Droitwich Spa Songsters

Taking as the introductory theme 'Praise' the Songsters brought 'God of my Praise' and 'Praise You' before inviting the congregation to experience the beauty of 'Bow the knee', and a moment of reflection and assurance. The Songsters were very ably accompanied by Keith Lewis whose solo spot featured 'The Via Delorosa' which with the skilled use of PowerPoint brought its own special moments which were received in silence.

Deputy Songster Leader Charlie Green

Deputy Songster Leader Charlie Green thrilled the congregation with two songs: 'Free' written by the Droitwich Spa Songster, Leader Lee Fisher, and 'The Rose', one of the songs featured on his recently released CD.

The Songsters brought reassurance with their beautiful rendering of 'I know you're there', concluding with 'There's never been a mountain' delivered with both excitement and enthusiasm.

The Droitwich Spa Songsters brought music of the highest standard to the programme but the very careful planning of the music and the sense of dedication of the Songsters themselves provided an evening that was simply packed with blessing.

Salvation Brass Tour of Canada

As already mentioned at the start of this edition I had a great time in Canada with Salvation Brass.

For those readers who don't know, Salvation Brass is a composite group of Salvation Army Musicians from different Corps around the UK Territory, led by Dean Jones from the Music Ministries Unit at THQ.

We commenced our tour in Reading Lower Earley by holding an Easter Mediation. This was a special time of worship where we shared with each other and concentrated on what Easter means.

The following day we made our way to Heathrow for our flight. Before check-in we had the customary Group photo with the Union Flag & Canadian Flag. *(The Union Flag is only a Union Jack Flag when it is flown on a Boat)*

During our flight one of our members fulfilled a life time ambition by being a 'Trolley Dolly': for those of you who know the group, there are no prizes for guessing who! We made such an impact during the flight that we sold a CD to a member of the Crew and also got mentioned over the PA system when they did the 'Welcome to Canada' announcement.

When we arrived we waited outside the terminal for our transport to North York Temple. We were all expecting a Coach but two Stretched Limos pulled up. We were in shock but enjoyed every

second. After getting to North York and having a few moments to ourselves to freshen up, we had some Dinner and then met in their main hall for a time of prayer, thought and worship. We all spoke out one word which reflected what we wanted out of the tour: some of these were Fellowship, Encouragement; Faith. We then sung the song I'm in his Hands which really got the tour off to a good start - the words stating 'whatever the future holds we were in God's Hands.'

After an evening with billets we arrived back at the hall to travel to our first concert, to be held at lunchtime at the Canada & Bermuda Territorial Headquarters, following Lunch with TC Commissioner Susan McMillian. Once we had completed our concert we rushed up to their SP&S to have a look and make some impulse purchases as time was short - they soon ran out of change as we all had notes, being the first opportunity to spend some of our Dollar's.

After a long journey, we arrived at Cambridge Corps to be welcomed by Captain Nicholas Samuel and his family. For some this was a reunion as Nick was a Sub-Editor on Music Ministries and he was also in the International Staff Band. As we were late due to traffic issues, our time to prepare was somewhat limited and signs of stress were starting to show, including myself in setting up the Multimedia.

During our Concert at Cambridge, we were joined by Caleb, an old friend of the group, by meeting Dean in Reading Prison during their time providing Ministry to the inmates. Caleb is a talented singer and guitar player who writes his own songs. One of the songs he wrote is titled 'Hands'. Inspired by a poster he saw in Reading Prison, this song consisted of 4 sections, representing the 4 different images on the poster of various piercings and their prices, with the 4th one being a hand with a nail going through it - and where the price should have been, there was a question mark - it was this image that inspired Caleb to write a song about what Jesus had done for us.

Our next Corps was St. Thomas, for our Good Friday Worship. Being Good Friday we were fortunate enough with the traffic to be there in really good time even with a stop on the way. This was the first

time we could really listen to our Executive Officer, Major Noel Wright (THQ), preach. During the response time we probably broke most Health & Safety rules with a large wooden cross laid on the platform where we were all given the opportunity to hammer a nail into the cross. Some were light taps, others not so light - this also led a young child to respond.

Following on from worship we had a United Church March around the town then a service on the town hall steps. This was followed by lunch with the other churches where they must have catered for at least 300 people!

We then travelled to St. Thomas Faith Church where we shared the concert again with Caleb but also the London Citadel Timbrel Brigade. We performed to an audience of around 500 people, not to reflect Jesus dying on the cross but in celebration that he did it for us. Following this concert time was of the essence, therefore meaning a VERY fast pack down was needed due to the coach driver's hours - otherwise we would have been bunking down in the Church all night!

Saturday was a more relaxed day - we had a few hours to visit the CN tower and experience the glass floor, it was also discussed that the band should play whilst doing the Sky Walk, walking around outside the top of the tower - luckily the cost prevented us doing it! After some lunch we then returned to North York Temple to prepare for the 'Easter Glory Concert' which included all of the Corps sections, the Korean Church and Persian Church which use the Army's facilities, along with Salvation Brass. It was a fantastic concert with Salvation Brass coming in playing Praise party with Confetti Cannons, Streamers, Beach balls, and flags in one celebration of Praise of what Sunday was holding in store. We certainly made an impact on those who attended which included Retired General Linda Bond. The highlight for many in this concert was a surprise item provided by North York Temple Band playing the piece 'Vista', written by Dean Jones himself. This was a complete surprise to Dean and to see what this meant to him was something that had to be experienced.

Easter Sunday didn't disappoint with a celebration style of worship, which included the enrolment of 10 Junior Soldiers who all recited the Junior Soldier Promise from memory. Following worship we marched approximately 3Km (felt like 30km!) in the snow, witnessing to those who heard us that Christ the Lord was risen today.

After lunch at the hall we then travelled into the country to the North York Temple's Bandmaster's home, which interestingly used to be owned by the English Monarchy. Some went out for a walk through the woods while others relaxed with members of North York Temple Band getting to know them. This ended in a time of worship, a time which I certainly never experienced before and will never forget. Cherri Clee sang a solo written by Dean's wife, Emma, which summed up the weekend, all be it the tour, *'Cause you are the reason that I sing, You are, You're my ev'rything, Lord help me find a way, to say to you each day, that ev'rything I need, you are!*

On Easter Monday we spent the day at Niagara Falls to finish off our time in Canada. This was a great time spent with the Young People from North York Temple Corps, along with some of the band.

For me personally, the tour was an experience I hope I won't forget. For Salvation Brass, it was a milestone and the start of a new chapter in the Salvation Brass Journey.

Gift Aid

A short time ago, we received a further Gift Aid payment related to our claim for the 2013/14 tax year, which amounted to £10,827.77. Although this needs to be allocated in various different ways across the corps, the majority of the Gift-Aid that we receive currently goes towards repaying our building loan. When combined with the amounts raised through Christmas carolling, special fund-raising events and personal donations, this means that we have been able to repay a further £15,000 off the loan in March. It is now my hope that the outstanding balance of £14,000 will be fully repaid within the next year.

In the past, we have only been able to claim Gift-Aid on amounts given by people who have signed a specific Gift-Aid declaration. However, this year we are also able to claim an additional £1,250 back under the Gift-Aid Small Donations Scheme (GASD), which takes into account the assumption that a proportion of the offerings we receive on a Sunday that are not tied to a specific Gift-Aid donor will still have been given by UK tax-payers. Although this has been quite an administrative burden for the corps, it should form a welcome boost to our overall financial position.

If you are a UK tax-payer and have not signed a Gift Aid declaration for the corps in the past, or your circumstances have changed since the declaration was signed (e.g. recent changes in the income tax threshold mean that you are no longer pay income tax, or you have changed address), or you would like any further information on Gift-Aid, then please see me.

Corps Treasurer, Paul Heath

A Spotlight on...

...Gerry Wiltshire

What is your job within our corps? I am adherent secretary and do this with Malcolm. We are loving getting to know everyone.

What is your day job? I am a Nurse. I was recently appointed as the Infection, Prevention & Control Lead Nurse at St Peter's Hospice.

Favourite Music? I like a variety of Music; all types apart from heavy metal.

Favourite food? I love and enjoy a good Roast dinner

The Worst Trait? (Be Honest) You might have to ask Malcolm about that!!!

Your Best Trait? (Don't be modest) I have no Idea.

What trait do you most deplore in others? I don't like dishonesty.

Your most embarrassing moment? Oh my it was a long time ago but walking into the Men's Loo in Birmingham!!!

What do you most dislike about your appearance? Well lots of things but then I remind myself I am a child of God, a Princess of the King of Kings and I was fearfully and wonderfully made.

What newspaper do you prefer, and why? I don't read a newspaper

What about books? Do you have a favourite author? I don't read books much, however, I read lots of material that is applicable to my work, along with Children's bedtime stories with Bella or should I say she now reads them to me.

Have you a favourite TV Programme? Loving Poldark at present, give me a Period Drama anytime

Favourite TV Personality? I don't have one.

What activity do you most enjoy? Activities - well playing with our Grand Daughters Bella & Amara

What is your most memorable moment? I don't just have ONE!!! I have 5. Our Wedding (oops...and the girls' weddings to our wonderful Son in Laws Jay & Matt - didn't leave you out lads!!!) the birth of our daughters Lydia & Ruth and of course our beautiful Grand Daughters.

Is there anything about your life so far that you regret? I have no regrets.

If you weren't you, who would you like to be? I really am just quite happy being me.

Is there a particular talent you wish you'd had? I so would have loved to play the piano.

How would you like to be remembered? A lady of true faith, a good Wife, Mum, Nana and Friend.

Checking out at the supermarket, the young cashier suggested to the much older lady customer, that she should bring her own grocery bags because "Plastic bags weren't good for the environment".

The lady apologised and explained, "We didn't have this 'green thing' back in my young days."

The young cashier responded, "That's our problem today - your generation did not care enough to save our environment for future generations."

She was right -- our generation didn't have the 'green thing' in its day.

Back then, we returned milk bottles and lemonade bottles to the shop. The shop sent them back to the plant to be washed and sterilised and refilled, so it could use the same bottles over and over. So they really were recycled.

But we didn't have the 'green thing' back in our day.

Grocery shops bagged our groceries in brown paper bags that we re-used for numerous things, most memorable, besides household bags for rubbish, was the use of brown paper bags as book covers for our schoolbooks. This was to ensure that public property (the books provided for our use by the school) was not defaced by our scribbles. Then we were able to personalise our books on the brown paper bags.

But too bad we didn't do the 'green thing' back then.

We walked up stairs, because we didn't have a lift in every supermarket, shop and office building. We walked to the local shop and didn't climb into a 300 horsepower machine every time we had to go half a mile.

But she was right. We didn't have the 'green thing' in our day.

Back then, we washed the baby's Terry Towel nappies because we didn't have the throwaway kind. We dried clothes on a line, not in an energy-gobbling machine burning up 3 kilowatts - wind and solar power really did dry our clothes back in our early days. Kids had

hand-me-down clothes from their brothers or sisters, not always brand-new clothing.

But that young lady is right; we didn't have the 'green thing' back in our day.

Back then, we had one radio or TV in the house - not a TV in every room and the TV had a small screen the size of a big handkerchief (remember them?) not a screen the size of Scotland. In the kitchen we blended and stirred by hand because we didn't have electric machines to do everything for us. When we packaged a fragile item to send in the mail, we used wadded up old newspapers to cushion it, not Styrofoam or plastic bubble wrap. Back then, we didn't fire up an engine and burn petrol just to cut the lawn. We pushed the mower that ran on human power. We exercised by working so we didn't need to go to a health club to run on treadmills that operate on electricity.

But she's right; we didn't have the 'green thing' back then.

We drank from a tap or fountain when we were thirsty instead of using a cup or a plastic bottle every time we had a drink of water. We refilled writing pens with ink instead of buying a new pen, and we replaced the razor blades in a razor instead of throwing away the whole razor just because the blade got dull.

But we didn't have the 'green thing' back then.

Back then, people took the bus and kids rode their bikes to school or walked instead of turning their Mums into a 24-hour taxi service in the family's £50,000 'People Carrier' which cost the same as a whole house did before the 'green thing'. We had one electrical outlet in a room, not an entire bank of sockets to power a dozen appliances and we didn't need a computerised gadget to receive a signal beamed from satellites 23,000 miles out in space in order to find the nearest restaurant.

But isn't it sad that the current generation laments how wasteful we old folks were just because we didn't have the 'green thing' back then? Maybe this could be a lesson in conservation for a young person...?

From Andrew Sims

Most of the new arrivals seem incapable of conversation. They just stare at their hands in despair.
